

# **Smoking Management Policy**

## **Cabarlah Golf Course**

The Cabarlah Golf Course Management Committee is committed to the provision of a safe and healthy environment for all members, staff and visitors. All buildings and vehicles are designated smoke free areas at all times. This policy outlines our procedures for tobacco and e-cigarette use in our club.

Cigarette butts are harmful to the natural environment. Do not dispose of butts down the drains, in the toilets or on the golf course.

Cabarlah Golf Course discourages smoking whilst playing golf as inhaling second hand smoke is a proven health hazard. Golfers who smoke but must be considerate of fellow golfers and take your butts with you.

### **Designated Outdoor Smoking Area (DOSA):**

Under the smoking laws, liquor licensed premises that hold a commercial hotel, community club or commercial special facility licence (containing all or part of a casino) can designate an outdoor area where smoking and drinking, but not eating, can occur.

Smoking is only permissible in the following area within the precinct of Cabarlah Golf Course Club House:

1. Through the double doors marked designated smoking area but not under the awning.
2. Smoking is not allowed within 5 metres of an entrance to an enclosed place/building.

**Note:** Cigarette butts must be placed in the ashtrays located within this area.

Cabarlah Golf Course discourages members and guests from smoking whilst playing golf or using the practice areas. Cigarette butts must be extinguished and placed in the on-course rubbish bins.

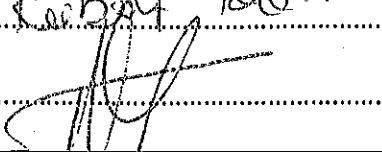

Staff who choose to smoke must use the designated smoking areas and only do so in their scheduled work breaks.

### **Non-compliance:**

All Club committee members must uphold this Policy and any non-compliance will be handled according to the following process:

- Club members and/or guests should notify the Committee of any breaches of this Policy.
- A friendly approach will be made to the person smoking, explaining our Club's Policy and directing them to the DOSA.

- Continued non-compliance with the Policy will be referred to the next Committee Meeting who will use their discretion as to the action taken, which may include excluding the person/persons from the club facility.
